IAPTC Executive Committee Meet in Cairo Ahead of the 23rd Annual Conference

Cairo, Egypt – The Cairo Centre for Conflict Resolution and Peacekeeping in Africa (CCCPA) hosted a meeting of the Executive Committee of the International Association of Peacekeeping Training Centres (IAPTC) from 14 to 16 March 2017 in Cairo, Egypt.

The meeting comes as a preface to Egypt hosting the 23rd Annual Conference of the Association, scheduled for September 2017. During the meeting, the executive committee agreed on a tentative agenda of the annual conference, which will tackle a wide variety of issues related to the future of peacekeeping and its implications for training, including the future of peacekeeping in complex environments, preparing peacekeepers for conflict environments, leadership, and a people-centered approach in peacekeeping.

Counselor Ashraf Swelam, Director of the Cairo Center, expressed Egypt’s welcome to host the Annual Conference of the IAPTC, as the most important annual event of peacekeeping training centers.
